Witte Museum Announces 'Beat the Heat Mondays'

SAN ANTONIO—As the mercury is rising during San Antonio's record-breaking summer heat, the **Witte Museum** is dropping prices! Head through the doors of the cool Witte Museum for **Beat the Heat Mondays**, where **general admission is only \$5** per person every **Monday** beginning **July 6** through **Labor Day, Sept. 7**.

A full day of entertainment awaits the entire family in the air-conditioned galleries of the Witte! Start off in the Dinosaur Gallery and witness the creatures that roamed this land 65 million years ago; see the animals that inhabit the Lone Star State through *Texas Wild: Ecology Illustrated*; unlock ancient secrets with *Mummies: Unwrapping the Past*; learn about life in South Texas 4,000 years ago through *Ancient Texans: Rock Art and Lifeways Along the Lower Pecos*; then head out to the H-E-B Science Treehouse for 15,000 square feet of hands-on science fun. Also included with the \$5 general admission are special exhibits *Wild Wild West: True Stories and the Arena*, on view through Aug. 23, and the Witte's annual Fiesta exhibit, *Queens and Crowns: Fiesta's Royal Traditions*, on view through Aug. 9.

For only \$3 more, visitors can speed up, slow down and manipulate time in the summer blockbuster exhibit, *Playing with Time*, on view through Sept. 27. Take the opportunity to see changes that happen too quickly or too slowly for the human eye to perceive.
