Dinosaur George LIVE at the Witte Museum **1-4 p.m., Saturday, November 3**

SAN ANTONIO—Meet paleontology expert “**Dinosaur George**” Blasing in person at the **Witte Museum** as he unravels the mystery of Cretaceous creatures. Join us **1-4 p.m.** on **Saturday, November 3** for *Dinosaur Defenses as Weapons* and *T-Rex and Raptors: The Gruesome Twosome*. Dinosaur George books and comics will be available for autographs and purchase in between presentations.

Life during the Mesozoic era was very dangerous, so dinosaurs had a variety of weapons to protect themselves. *Dinosaur Defenses as Weapons* explains some of the most remarkable dinosaur defenses ever unearthed. Horns, spikes and clubs were just a few of the tools they used, while others had secret and even biological weapons!

Take a journey back in time and learn amazing and unusual facts about the two most popular dinosaurs on earth. *T-Rex and Raptors: The Gruesome Twosome* shows how cutting-edge science has revealed incredible, never before seen, information about these predators.

In between these dynamic presentations, **Dinosaur George** will be available to autograph his brand new titles, *Prehistoric Safari: Raptor Island* and *What Color Were Dinosaurs?* Also available for purchase are his captivating comic books, *The Prehistoric Adventures of Dinosaur George: The Jurassic Tigers* and *Uno & The Raptor Pack: The Journey Begins!*

Free with museum admission. For more information call 210.357.1900 or visit
