

**Witte Museum Tour – Halo Shelter**  
**Saturday, February 2, 2019**

**This tour is strictly limited to 15 participants;**

**Your own high clearance vehicle is required for this tour.**

Come join the Witte Museum's Rock Art Foundation for a tour to this remarkable place. Halo Shelter harbors stunning Pecos River style rock art that is unique both in theme and color. A line of deer emerges from a single shadowy deer figure to run across the limestone wall. Beautiful golden yellow colors rarely seen in rock art form fill the bodies of several figures. Many of the unique icons of Pecos River rock art are found at Halo Shelter.

The road to this site is dusty and rough. The tour requires stamina, agility, and balance on the part of all participants. Complete physical mobility is essential. You will be in a remote location where response to serious injuries and medical emergencies will be difficult and lengthy. Please be physically prepared for this hike. Wear sturdy shoes, layer your clothing according to the weather, and bring drinking water/lunch/snacks. The descent into the canyon is very steep, with a rope provided to help steady hikers along the rocky trail.

**WHERE TO MEET:**

Meet your Guide at **9:00am along Highway 90 W in front of the RV Park (there is a large sign) about 1 mile west of Comstock**. We will consolidate vehicles and any vehicles left at this location should be secure. Be prepared for a prompt **9:30 AM departure**. It will take approximately 1 hour to get to the site. The tour should complete by 4 or 5 PM. There will be a restroom available at the ranch that we can use immediately prior and following the tour. In this area, however, cell service is not reliable. Please do not bring any pets.

**IMPORTANT NOTICE**

All participants on Witte Museum Rock Art Foundation tours and events must complete a Liability Release Form before participating. Your Guide will have a copy for you to sign, so you do not need to print and bring your own copy.

By signing this form and participating, you also confirm that you have read and will abide by the attached Tour Guidelines and Expectations. (below)

You will receive a reservation confirmation.

If you have any questions, please contact us at the Witte Museum Reservations Desk: **210-357-1910**.

### **ADDITIONAL DETAILS**

All Witte tours must be paid in advance to ensure your reservation. Please make your reservations no later than 7 days prior to tour date. Only those paid in advance are guaranteed a place on the tour. Cancellations must be made a minimum of 7 days prior to the trip to receive a full refund. If the tour must be cancelled because of inclement weather (e.g. rain), a full refund will be issued.

### **Tour Guidelines and Expectations for All Tour Participants**

Participants must be aware of the remote and difficult environmental conditions and terrain into which our tours travel. Participants must be able to traverse rugged terrain. This involves hiking considerable distances, scrambling over rocks and boulders, steep ascents and steep descents, walking in or over loose rock, and through dense brush. At any time of the year desert heat can be extreme. In most cases medical help and trauma care are several hours away. For your safety and protection please consider the following guidelines for all tours:

- Tours are not suitable for small children.
- Read the description of each tour carefully. Consider the length and difficulty of the tour carefully. Realistically consider your ability.
- Your safety and well-being on tours is your responsibility.
- Many of our tours are on privately owned land. Please be respectful of the landowner's rights and property at all times.
- Alcohol, firearms, and pets are not allowed on any tour.
- A few tours require that you bring a 4-WD high clearance vehicle. Your vehicle will be subject to harsh desert conditions. The Witte Museum Rock Art Foundation does not supply vehicles or arrange transportation if you do not have a suitable vehicle.
- Stay with the group and follow the instructions of your guide.

- For the safety of the group, tours may be canceled at any stage at the discretion of the guide.
- Few tours have restroom facilities. Be prepared to use the restroom outdoors.
- Please be alert when visiting the area near the Mexico/US Border. For the most current travel advisories and safety information, please visit the State Department Travel Advisories Website at <https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html/>

**What to bring and wear:**

- Wear clothing appropriate to the weather and terrain. Long sleeve shirts and pants are helpful protection from the sun and desert plants.
- Wear a wide-brimmed hat and use sunscreen.
- An umbrella is good sun protection.
- Closed toed footwear with good traction is required on all tours. Leather soled cowboy boots don't work!
- A small backpack or fanny pack for your gear, water, and food.
- Bring plenty of water and drink frequently. Hydrate before the tour and bring full water bottles - 2 quarts per day minimum. You will not be allowed to participate without an adequate water supply.
- Bring lunch and snacks that do not require refrigeration.
- Walking sticks are helpful.
- Camera

If you have any questions, please contact us at the Witte Museum Reservations Desk: **210-357-1910**.

The Witte Museum Rock Art Foundation especially wishes to thank the landowners for their stewardship of this unique cultural resource and for graciously allowing access.
