

MEYERS SPRING RANCH GUIDED TOUR

**YOUR OWN HIGH CLEARANCE VEHICLE
IS RECOMMENDED**

Meyers Spring, a major source of water in dry west Texas, has been a center for human activity for thousands of years. At the spring, ancient people left Pecos River style rock art. American Indian artists later recorded images of European contact over the older paintings. Still later, the Seminole Scouts and local ranchers left their marks. This site was added to the National Register of Historic Places in 1972 and today is privately owned. The Witte Museum thanks the landowner for their stewardship of this unique cultural resource and for graciously providing access. The Witte Museum is pleased to invite you to tour this very important rock art and historic site.

Driving Directions/Where To Meet:

The tour will meet in Dryden, Texas at the intersection of Hwy 90 and Hwy 349. Please arrive by 10:00 AM and be prepared for a prompt departure. Be sure to bring everything you need for a day in the west Texas sun – water, lunch, hat, camera and sunscreen. Hiking boots are not needed but are always a good idea. No pets please.

The 11-mile dirt ranch road does not require 4WD although a high clearance vehicle is recommended. Rains can quickly wash out a road. Once there it's a short walk to the rock art panel. After seeing the rock art the tour will drive a short distance to the outpost of the Seminole Scouts who patrolled the West Texas frontier in the 1880's and 1890's. The tour usually concludes by 4:00pm. Meyers Springs is a remote location where there is no medical attention; cell phone service is intermittent and temperatures can be extreme. An umbrella is always a good idea for shade. Restrooms are available at this site.

Important Notice:

All participants on Witte Museum Rock Art Foundation tours and events must complete the Liability Release Form before participating. Please read this carefully. Your Guide will have one for you to sign when you arrive onsite.

By signing this form and participating, you also confirm that you have read and will abide by the Tour Guidelines and Expectations below.

Reservations and Cancellations:

All Witte tours must be paid in advance to ensure your reservation. Only those paid in advance are guaranteed a place on the tour. Cancellations must be made a minimum of 10 days prior to the tour to receive a full refund. Cancellations made after the 10 day minimum are non-refundable. Tours may be cancelled due to weather conditions, extreme heat/cold, limited participation, road conditions, lake/river levels, etc. If a tour is cancelled by the Witte Museum, a full refund will be issued. If a tour participant does not arrive at the gate on time, and therefore misses the tour, their ticket cost will not be refunded. For the safety of the group and at the discretion of the Guide, tours may be cancelled at any stage during the tour. Requests for private tours must be submitted in writing to reservations@wittemuseum.org.

Health and Safety:

Participants must be aware of the remote and difficult environmental conditions and terrain into which our tours travel. Participants must be able to traverse rugged terrain. This involves hiking considerable distances, scrambling over rocks and boulders, knee to chest climbs, steep ascents and steep descents, walking in or over loose rock, and through dense brush. At any time of the year desert heat can be extreme. In most cases medical help and trauma care are several hours away. For your safety and protection please consider the following guidelines for all tours:

- Tours are not suitable for children under age 12. All minors must be accompanied by a parent or legal guardian.
- Read the description of each tour carefully. Consider the length and difficulty of the tour carefully. Realistically consider your ability to safely participate.
- Your safety and well-being on tours is your responsibility.
- Our tours are on privately owned land, please be respectful of the landowner's rights and property at all times.
- Alcohol, firearms, and pets are not allowed on any tour.
- Some private ranch tours require that you bring a 4-WD high clearance vehicle. Your vehicle will be subject to harsh desert conditions. The Witte Museum does not supply vehicles or arrange transportation if you do not have a suitable vehicle.
- Always stay with the group and follow the instructions of your guide.
- Few tours have restroom facilities. Be prepared to use the restroom outdoors.
- Please be alert when visiting the area near the Mexico/US Border.

What to Bring and Wear:

- Wear clothing appropriate to the weather and terrain. Long sleeve shirts and pants are helpful protection from the sun and desert plants.
- Wear a wide-brimmed hat and use sunscreen.
- Closed toed footwear with good traction is required on all tours.
- A small backpack or fanny pack for your gear, water, and food.
