Explore Your World

October 28, 2023 - February 11, 2024

Kathleen and Curtis Gunn Gallery of the Susan Naylor Center

Are you ready for a quest? Navigate your way through a shipwreck, escape a building, use a real sonar scanner to map your friends and do more as you explore the 19 interactive stations in *Explore Your World*. At the end of your journey, share your discoveries by bringing the map you create along the way to life using augmented reality.

Explore Your World is created by Scitech Discovery Centre, Perth, Australia and produced by Imagine Exhibitions, Inc. Explore Your World in San Antonio is presented by Traylor Ranches and generously supported by the Mary Pat and Michael Bolner Exhibition Endowment Fund.

Mi Cultura—Bringing Shadows Into the Light: The Photography of Al Rendon

September 2, 2023 - January 7, 2024

Robert J. and Helen C. Kleberg South Texas Heritage Center

Explore life in San Antonio through the lens of one of the city's most celebrated photographers with this retrospective exhibition of Al Rendón's 50-year career. Well-known for his portraits of Selena, rock & roll concerts and charreada competitors, Rendón has photographed Tejano culture in South Texas for decades. This exhibition presents many of his iconic photographs along with rarely-seen photos from Rendón's remarkable and expansive career.

Mi Cultura: Bringing Shadows Into the Light: The Photography of Al Rendón is presented by the Cheever Family Foundation and generously supported by Guillermo Nicolas and the WellMed Charitable Foundation.

A State of Exploration

October 21, 2023 - March 17, 2024

2nd Floor Gallery of the Susan Naylor Center

Within the far-flung borders of Texas, several iconic habitats meet. From the deciduous forests of the southeast United States to the deserts and mountains of the Southwest and the brushlands and tropical habitats of the South. In *A State of Exploration*, explore the eight eco-regions of Texas through a treasure trove of objects from the Witte Collections.
